Emergency Medical Evacuation Information

Volunteers Traveling to Haiti

Summary of our individual policy.

Our Global Traveler Comprehensive program includes the following:

- \$1,000,000 emergency medical evacuation, repatriation, and repatriation of mortal remains coverage
- 24-hour access to our Global Alarm Centers and Clinics staffed with English speaking doctors
- Medical or Dental referrals
- Personal Assistance
- Safety and Security Assistance.

Since International SOS is an assistance company and not an insurance company, no medical expenses are covered under this program. We do, however, offer optional medical insurance that our members can purchase for an additional fee. (Only available to USA and Canadian citizens) It is through a company called Insure America and works as a secondary insurance to your primary insurance company. It is a "pay and claim" service, so you would pay up front and get reimbursed by Insure America later. This option includes \$50,000 Medical Expense coverage and \$25,000 Accidental Death and Dismemberment.

The prices for the Global Traveler Comprehensive program are as follows:

Up to 10 days- \$80.00; Optional Medical Insurance is an additional \$29.00

Up to 17 days- \$110.00; Optional Medical Insurance is an additional \$43.00

Up to 31 days- \$180.00; Optional Medical Insurance is an additional \$53.00

Each additional day up to 49 days- \$8.00

(Please note that all quotes are per person, 0-70 years of age.)

Our Annual Frequent Traveler program is for all the trips you take in one year but each trip cannot exceed 90 days. The fee for this program is \$413.00 and the optional medical insurance is an additional fee of \$159.00.

Our Annual Expatriate program is for members living abroad or who take trips that exceed 90 days at a time. The fee for this program is \$655.00 and the optional medical insurance is an additional fee of \$425.00.
