### **Volunteer Information**

Thank you for your inquiry on how to volunteer for *Hope for Haiti*. Volunteers can assist with a variety of tasks, as follows:

#### Volunteer opportunities in Naples

- Helping us with our Healthcare programs in Haiti by sorting, packaging and labeling boxes of medication that we send to the clinics, hospitals, orphanages and nursing homes that we support in Haiti. Once the medication is packed, it needs to be recorded in an inventory program.
- Assisting with daily office chores: stuffing envelopes, typing thank you and other acknowledgments, filing, copying and finally data entry which require experience with Excel programs.
- Assisting with fundraising events: *Hope for Haiti* has one large Gala event each year in March. Prior to that event there is much preparation that requires hundreds of volunteers. OR You can host a fundraising event at your home or place of business where a *Hope for Haiti* staff member will make a presentation about the organization and its programs.

#### Volunteer opportunities in Haiti

- Assisting with a Medical Mission: Are you a healthcare provider? *Hope for Haiti* sponsors 5-7 day mobile medical mission trips to Haiti regularly so that we may reach the poorest of the poor in remote areas and help them receive basic healthcare.
- Alternative Spring break for College Students
- Summer Internships

For more information on these unique Volunteer experiences please call. We look forward to hearing from you.

  - Assist with packing/shipping medical supplies
  - Sewing/creating teddy bears
  - Fundraising & Events
  - Computer work
  - Special Skills \_\_\_\_\_

When are you available for Volunteer Service? \_\_\_\_\_

---

Considerations: Traveling outside of the country requires a valid passport. Assisting with a medical mission to Haiti requires ability to travel for up to seven days straight. Each person wanting to participate in a medical mission to Haiti will be asked to pay only \$700 which will cover transportation within Haiti, room and board and food (excluding incidental expenses), plus airfare from USA to Port Au Prince.

Assisting with the packaging and shipping of medical supplies may require lifting up to 25 pounds. Every volunteer will agree to an orientation of one hour to become familiarized with the organization, volunteer opportunities and procedures.

*Hope for Haiti* strives to provide each volunteer with a safe and enjoyable environment in which to donate their valuable time. Thank you.
